chon Deputy Clerk

Revocation of Petitioner's medical license No. A60792, as set forth in MBC Case No. 10-2011-219745, is hereby stayed pending resolution of the above petition or further order of this Court.

The parties are requested to brief the following issues: (1) Given the facts and circumstances of this case, was it a manifest abuse of discretion for the Medical Board to impose any penalty? (2) If it was not a manifest abuse of discretion for the Medical Board to impose a penalty, was it a manifest abuse of discretion to impose as harsh a penalty as revocation of Petitioner's license?

Opposition addressing these issues shall be served and filed by 10 a.m., on September 25, 2015. Any reply shall be served and filed by 10 a.m., on October 9, 2015.
